TRILINGUAL INTERPRETER & BILINGUAL ANALYST | ENGLISH • KOREAN • VIETNAMESE

PROFESSIONAL SUMMARY

Trilingual English, Korean, and Vietnamese professional with direct translation and interpretation experience across healthcare, construction, restaurant operations, and business environments. Nearly three years of healthcare bilingual experience with Healthfirst, including familiarity with over-the-phone interpretation and TransPerfect language-access services. Current healthcare localization experience with UnitedHealthcare, reviewing Korean and Vietnamese member communications for accuracy and quality. Strong cross-cultural communication, confidentiality, and attention to linguistic detail.

PROFESSIONAL EXPERIENCE

UnitedHealthcare (Contract via Robert Half) | Bilingual Analyst

Seattle, WA (Remote) | Aug 2026 – Dec 2026 (Expected)

- Manage translation and reproduction of Annual Enrollment member communications into multiple languages and accessible formats.
- Review multilingual healthcare materials for accuracy, terminology, consistency, quality, and compliance.
- Assist with translation, editing, and coordination of member-facing healthcare communications.
- Coordinate with external language vendors to support timely delivery of translated materials.
- Review translated content to preserve original meaning while maintaining natural and culturally appropriate language.
- Maintain organized documentation and communicate project status across cross-functional teams.

Healthfirst | Performance Support Specialist

New York, NY (Remote) | 2024 – 2025

- Provided professional phone and written communication support while resolving complex healthcare and technical issues.
- Explained complex healthcare and technical information clearly to diverse audiences and escalated issues when appropriate.
- Worked with sensitive healthcare information while following established privacy and compliance procedures.
- Collaborated across departments to resolve member and operational issues efficiently.

Healthfirst | Bilingual Field Service Agent

New York, NY | Dec 2021 – Sep 2024

- Supported diverse healthcare members with billing, eligibility, benefits, and health-related questions.
- Communicated complex healthcare information clearly and professionally to members from diverse linguistic and cultural backgrounds.
- Worked with TransPerfect language services to facilitate communication with members experiencing language barriers.
- Developed familiarity with over-the-phone interpretation and healthcare language-access services.
- Documented member interactions accurately in Salesforce while protecting sensitive information.

Springtime | Translator / Interpreter

Seoul, South Korea & Vietnam | Jan 2014 – Jun 2015

- Provided Korean ↔ English and Vietnamese ↔ English translation and interpretation for business communications, meetings, negotiations, and research.
- Facilitated communication between South Korean and Vietnamese stakeholders while accounting for cultural and linguistic differences.
- Translated technical and business materials supporting investment and market-expansion projects.
- Supported cross-cultural meetings and business coordination between international partners.

Hyosung Contractor | Translator / Interpreter

Ho Chi Minh City & Ha Tinh, Vietnam | Jul 2012 – Mar 2013

- Provided Korean ↔ Vietnamese interpretation and translation for a construction project contracted with Hyosung in Ha Tinh.
- Facilitated communication between Korean project personnel and Vietnamese staff and workers.
- Assisted with translation and interpretation related to construction operations and project activities.
- Also provided Korean ↔ Vietnamese interpretation and translation for the company's Korean restaurant business in Ho Chi Minh City.
- Assisted Korean management with communication involving Vietnamese employees and local contacts and supported day-to-day business operations.
